

# Cambria AI Pledge

At Coleg Cambria we're excited about the possibilities AI brings to our learning community. We're committed to using AI in a way that truly enhances everyone's experience, always keeping people at the heart of everything we do. This pledge is our promise to colleagues and learners, ensuring that AI will be a helpful partner in our journey together, not a replacement for the human connection that makes Coleg Cambria so special.

## Coleg Cambria pledges to -

**Enhance,  
not replace**

We will use AI as a tool to augment human capabilities, to enhance the essential roles of colleagues and learners

**Use AI  
ethically and  
safely**

We will use AI tools fairly and responsibly, upholding data privacy and mitigating bias

**Be the  
human-in-the-loop**

We will maintain human oversight and judgement as central to all AI-driven processes and activities

**Promote  
accessibility,  
inclusivity, and  
Welsh language**

We will strive to ensure that AI tools are accessible and inclusive, support inclusive practice and the Welsh language

**Continually  
improve**

We will support colleagues and learners with the training and skills needed to maximise the benefits of AI tools, through regular review and feedback
